## SANTA CLAUS ARRIVES IN GETTYSBURG

(See Picture On Page 3)

Santa Claus arrived in town Saturday evening. Riding in a convertible, he came into Lincoln Square from Chambersburg St. at 7 o'clock and was greeted there by a veritable mob of eager youngsters.

Police escorted the jolly old elf into and around the square and to his shanty where he distributed oranges, sweets and books to his young admirers.

Santa found the square not lighted to fully suit his fancy. When he mentioned this someone thoughtfully turned on the strings of decorative lighting which span the streets in the center of town.

### Greeted In Square

Official greetings were extended Santa Claus by Charles Bender, president of the Retail Merchants Association, and by Tom Metz, president of the Junior Chamber of Commerce. They assisted while Santa cut the ribbon formally opening the shanty.

In extending his welcome, Bender asked those present not to overlook the real reasons "why we celebrate Christmas." He said that "even though we celebrate as far as Santa Claus is concerned, we should place the emphasis on why we give."

Santa will be in his shanty from time to time to receive youngsters who wish to consult him personally. Letters may be dropped in his mail box on the square any time. Those that have a return address will be answered, Santa said.

## SETTLEMENT ON DAMAGES BEING ASKED

A petition to settle the action in trespass brought by Thomas C. Brenner, Gettysburg R. 2, and his minor daughter, Victoria L. (Brenner) Wetzel, 18, 142 Seminary Ave., against William O'Mara, Buffalo, N. Y., has been filed with the Adams County Court. The court set December 15 at 10 a.m. as the time for a hearing on the matter.

According to the petition filed by Attorney John A. MacPhail for the Brenners, the settlement will be for \$1,500. Of that amount \$500 will go to Thomas Brenner for his expenditures of \$273 for repair to his car and \$227 for hospital and medical care for his daughter. The other \$1,000 will go to the daughter for pain and suffering and a facial scar.

The suit results from an auto accident December 1, 1956, six miles south of here on the Emmitsburg Rd. at which time Brenner's car was being operated by Lawrence Tremonte. The car of O'Hara, headed south, passed another car on a curve, according to the petition filed in the action in trespass, forcing the Brenner car, northbound at the time, off the road. Mrs. Wetzel was hurled from the Brenner car when it struck an embankment. She suffered lacerations of the left cheek and chin.

## NOVEMBER WAS WARMEST HERE IN TEN YEARS

The coldest weather of the season over the last weekend pulled November average down but did not keep the month from going into the records as the warmest November here in a decade.

The month's low temperature came on Sunday morning at 15 degrees above zero, the coldest reading taken here so far this season. The range in the 30-day period was up to 73 degrees on the afternoon of November 14. Temperatures of freezing or below were reached on only nine days of the month while the daily high was in the 60's on an equal number of days.

November had an extra quarter of an inch of rainfall and became the tenth month this year to receive a surplus in precipitation. Measurable amounts of rain fell on eight days last month but two of the rains brought more than an inch of rain. The month's total was 3.12 inches as compared with a November normal of 2.87 inches.

### Surplus Of Rain

The showers last month brought the year's accumulated rainfall for 11 months to 42.63 inches which is 4.78 inches above normal for that period.

Although the mountains of the county got some snow last Friday, no measurable amount of the white stuff fell here. Fog was recorded on four days last month and driving was bad last Friday when snow, sleet and freezing rain brought out state Highway Department crews in the morning but rising temperatures and rain soon helped clear the highways.

The average temperatures last month were: Daily high, 55.23 degrees; daily low, 37.1 degrees; average daily temperature, 46.16 degrees; normal average daily temperature, 42.8 degrees; average

### Bound For New Oxford

Gustin had thrown up his left arm when a "big brown object" entered the cockpit and then fiddled with the controls in an attempt to get it off the ground.

A lever he pulled, the agents said, sent the plane's canopy flying. The Air Force said the same lever was supposed to eject the seat and its occupant but mechanical trouble prevented that, thus possibly sparing Lutman's life.

Air Force personnel rushed to the plane from nearby hangars. They quoted Lutman as asking if the plane was "gassed up and ready to go."

A military spokesman said the question led to Lutman's arrest because "no one who knows anything about jets would ask a question like that. . . . A tremendous amount of ground equipment is needed to start a jet."

## Burglaries Are Being Investigated

State police are also investigating the theft, over a period ranging from Veterans' Day to Thanksgiving Day of gasoline from the pump at the Rebecca Sachs farm, Biglerville R. 2, and the pump at the Clifford Biesecker property, Orrtanna.

## TWO MEN HURT AS BIG BUCK LEAPS ON CAR

A wrong turn at the York Springs cloverleaf intersection brought trouble for a carload of Harrisburg area residents late Sunday morning when a big eight-point buck deer leaped onto the car from a high roadside bank three miles west of York Springs on Route 94.

Two men riding in the front seat suffered cuts and abrasions when they were showered with broken glass as the deer crashed through the windshield and left part of one of its legs in the car. The wives of the men were riding in the rear seat and almost miraculously escaped injury.

When James M. Panza, 421 Spruce St., Steelton, brought his car to a stop part of the deer's leg and a four-inch fragment of glass were lying on the back of the front seat of the car. Panza had abrasions of one ear and his nose and a cut on the left hand and his companion in the front seat, Lawrence T. Gustin, Enhaut, suffered lacerations of the left side of the face and left hand.

Dr. C. G. Crist, Adams County coroner, said Mr. Hoffman died of a coronary occlusion.

He was hunting with Paul Ditzler, Biglerville R. 1, and while Mr. Ditzler walked through brush some 75 yards away, Mr. Hoffman walked along the road for about 200 yards and then collapsed. ## STORE, HOME

(Continued From Page 1)

Company in the absence of the chief and assistants who had left earlier Saturday on a hunting expedition, said the loss will run high. Pending an inventory this afternoon, no estimate was made.

Freezing temperatures and high winds made it difficult for the several hundred firemen to fight the blaze. In addition to Gettysburg and East Berlin, the Dover, Abbotstown, Weigelstown, Shiloh and Lincolnway Fire Co. of York were called and Lerew said another company sent a Civilian Defense truck. Gettysburg Explorer Post 73 provided coffee for the men fighting the blaze.

Acting Chief Lerew said he believes the blaze may have been caused by the explosion of a space heater in an unused apartment in the building. The two Melhorn boys had been working on a Christmas platform in that area and a space heater had been lighted.

Among articles destroyed by the fire were the Christmas gifts for the Melhorn daughters. An adjoining one-story cement block warehouse was also destroyed.

Valves on fire engines from East Berlin and Dover fire companies froze and the pumps had to be returned to the company halls but later returned to the fire, according to firemen. Nozzles and hoses froze and had to be replaced, firemen said. A valve at the pump of one East Berlin engine burst after freezing.

**Sparks Blown Into Barn**  
Sparks carried by the wind entered an open window of Rufus Julius' barn nearby and ignited baled straw but firemen extinguished the flames before they spread and then wetted down the piled up straw.

## BOY MURDERS AUNT, MOTHER OF 2 CHILDREN

VALLEY STREAM, N. Y. (AP)—A stocky eighth-grader has admitted the frenzied slaying of his 23-year-old aunt, mother of two children.

Police said Richard C. Mazzotti, 14, told them he killed Mrs. Mary Lou Wright, a slender brunette, "because of a sudden urge I can't explain."

The boy's father, Novie Mazzotti, brother of the slain woman, found Mrs. Wright's body late Saturday night in her basement apartment, which showed signs of a terrific battle. Her children, Robert Jr., 5, and Michael, 3, were asleep and unharmed.

Authorities said Richard had battered Mrs. Wright with a large soda bottle, a lamp, a power paint sprayer and a large jar with an electric cord. Then, they said, he stabbed her repeatedly with a carving knife and twisted the cord around her neck.

**Husband Was Hunting**  
Mrs. Wright's husband, Robert, 26, was on a weekend hunting trip. He is employed by the sanitation department of this Long Island community.

Nassau County authorities pieced together this account of the slaying:

Richard visited his grandmother Mrs. Jennie Mazzotti, 60, Saturday evening and then called on his aunt. He watched television while Mrs. Wright, dressed in a housecoat, rested in a bedroom.

She asked Richard to leave and he refused, flying into a frenzy. After the attack, he slipped from the apartment, eluding his grandmother. She had become worried when no one answered her call at the Wrights' apartment, which is beneath hers.

Richard was charged with juvenile delinquency because of his age, and was held for an arraignment today.

## World Briefs

### ADD WORLD BRIEFS

LONDON (AP)—Foreign ministers of the Big Three Western Allies and West Germany were reported agreed today in principle on an early meeting to coordinate a policy on the Soviet Union's threat to Berlin.

Diplomatic officials said they may arrange to have their talks in Paris.

Officials of the four powers are studying the Soviet note which last week proposed that West Berlin be turned into a free city. Present thinking among the Western Allies is that they should turn down the Soviet proposal and offer to consider Berlin's future only in the wider context of a German peace settlement.

TOKYO (AP)—Japanese storekeepers don't like the new 10,000 yen—\$27.77—notes issued today. Most neighborhood stores said they don't carry sufficient small denomination bills to make change.

The new notes were printed mainly for banks, insurance companies and high-bracket income people. But some are circulating in the ordinary channels of trade.

LONDON (AP)—The sun shone on London today—first time in 15 days.

MONTE CARLO, Monaco (AP)—Ex-King Umberto of Italy was best man today for Hungarian journalist Baron Laszlo Bohus, 32, who married Melle Vanda Rosa, 34, daughter of an Italian manufacturer of prefabricated houses. Umberto came here from his home in exile in Portugal.

ALGIERS (AP)—An effort by a handful of liberals to give Algeria a balanced representation in the French National Assembly met with crushing defeat at the hands of right-wingers today.

Returns from the three-day legislative election still trickling in from the rebellious country indicated only one non right-wing group of candidates scored a victory.

Elsewhere in Algeria, candidates backed by Jacques Soustelle's Union for the New Republic and the extremist Public Safety Network defeated competing right-wing lists, all demanding continuation of French rule over Algeria.

# TRAFFIC LEADS IN HEAVY DEATH TOLL IN 4 DAYS

Traffic 443  
Fires 51  
Miscellaneous 116  
Total 610

**By THE ASSOCIATED PRESS**  
The nation's observance of the long Thanksgiving weekend was marred by heavy death toll in violent accidents. As usual, traffic was the No. 1 killer.

The season's first major snowstorm was regarded as a big factor in a number of deaths on the highways. The cold weather also added to the number of violent deaths as a series of destructive fires took the lives of several persons, including many children.

Although the traffic death toll for the 102-hour period from 6 p.m. (local time) Wednesday to midnight Sunday was high, it appeared the total was below the average for a comparable period.

**105 Daily Average**  
No preholiday estimate of the traffic death toll was made by the National Safety Council but it said that 470 deaths on the highways could be expected in a 102-hour nonholiday weekend at this time of year.

The nation's traffic toll last year was 38,500, an average of about 105 a day. The Associated Press, for comparison purposes, made a survey in a 102-hour nonholiday weekend earlier last month and counted 394 traffic deaths. Other violent deaths for the period showed 32 in fires and 121 in miscellaneous accidents, a total of 547.

The record over-all accident deaths during a four-day holiday period was 884 set at Christmas 1956. Of the total, 707 were killed in traffic accidents.

At least four states, New York, Alabama, California and Illinois, each reported 20 or more deaths on the highways. New York led all states in total violent deaths with 36. Rhode Island was the only state not reporting any violent deaths.

## Gardners Woman Injured In Crash

Paul D. Mentzer, 57, Carlisle R. 5, was identified by Carlisle police as the operator of a car which went through a stop sign in Carlisle Friday and collided with two other cars causing damage to the three autos estimated at approximately \$2,300.

The other cars involved were driven by Mrs. Mary E. Heller, 33, Gardners R. 2, who was treated at Carlisle Hospital for internal injuries and a knee cut, and George W. Black, 51, Carlisle, who suffered a hip injury but refused treatment. Mentzer was treated for a head cut. The fourth person injured in the accident, Ella Orner, 65, Carlisle, occupant of Black's car, suffered slight cuts.

After the collision Mentzer's car careened across the curb and ran over the lawn at the home of Joseph L. Kramer and then into the side wall of the home of W. Wright Kirk. Damage was estimated by police at \$600 to the wall and \$300 to the lawn and fence.

Police said Mentzer would be charged with failure to stop at a stop sign.

The paper boy's a credit to ... the neighborhood he serves ... he sets a good example and ... much credit he deserves ... his job is not an easy one ... for it entails hard work ... it is not meant for kids who like ... to sit around and shirk ... the paper boy is special in ... that he personifies ... the meaning of real industry ... and all that it implies ... he's on the job most every day ... whether it rains or shines ... a winning smile and fond hello ... compose his welcome signs ... someday if fate is kind to him ... others, he will employ ... ## Fire Destroys Large Bank Barn

Fire destroyed a large bank barn on the Edwards farm on the northern outskirts of Union Bridge, Md., Friday afternoon.

Firemen from Union Bridge, Taneytown and New Windsor responded to the alarm at 2:30 p.m., but by the time they arrived the flames had gained to much headway for them to save the structure. They confined their activities mainly to saving an adjoining cow barn and sheds and preventing the spread of fire to nearby houses.

Hampered by lack of water at the site, the firemen had to shuttle back and forth to Union Bridge to fill their booster tanks.

Cause of the fire has not been determined, nor has the amount of loss been announced. The fire was discovered by the family of Lon Edwards, who farms the land for his mother, Mrs. D. S. Edwards Sr. The 100 by 50 foot frame barn was levelled. There were no cattle in the barn and farm machinery stored there was removed. A large quantity of hay was consumed.

Union Bridge firemen remained at the scene for several hours and were called back at 11 p.m. to prevent a flare-up.

## TELLS HOW TO REMOVE FOOD STAINSONRUGS

By MRS. HELEN TUNISON  
Home Economist

Food spilled on rugs won't become a permanent stain if you remove it as soon as the spill happens, says Mrs. Helen D. Tunison, extension home economist.

Always have stain removal supplies on hand including dry cleaning fluid, an eye dropper, white unstarched cloth, paper towels, or cleansing tissues.

The National Institute of Dry Cleaners recommends two home formulas for removing stains on rugs. They are: Formula 1—One teaspoon of neutral soapless detergent mixed with one cup of lukewarm water; and Formula 2—One teaspoon of white vinegar and three teaspoons of lukewarm water. Mix each formula at the time you clean the spot.

### Depends On Food

Whether to use formula 1 or 2 or cleaning fluid on a stain depends on the kind of food spilled. For fruits and fruit juice stains, and ice cream and milk desserts, sponge with lukewarm water, then use formula 1. Use formula 1, also, for removing alcohol, coffee, tea, and soft drink stains. If any stain remains, use formula 2.

Egg and gelatin spots disappear with an application of formula 1, followed by formula 2 if any stain remains. Use dry cleaning fluid to remove butter and other fats.

The success of a stain removal fluid depends on how it's applied. Apply all fluids with an eye dropper and sponge from the outer edge of the spot toward the center with a white, unstarched cloth. Then blot. Leave formula 2 on the stain about 15 minutes before blotting.

### Moisture In Rug

Except when dry cleaning fluid is used, moisture will be left in the rug. Dry the rug by absorbing the moisture into several thicknesses of paper towel, tissue, or cloth held in place with flat weights.

When used as directed, these stain removal fluids will do no harm. However, too much formula soaked into the rug and backing may result in brown stains, and too much dry cleaning fluid may deteriorate the latex backing of many rugs.

Never experiment on stains with other than these recommended methods. Experimenting may set stains permanently. If stains are not removed by these methods, call a reliable professional rug cleaner.

### Read Instructions

Read the label before you buy a wash and wear shirt. The National Association of Shirts, Pajamas, and Sportswear Manufacturers has set up standards for labeling wash and wear shirts that spell out whether or not some ironing is required.

A label stating "never needs ironing" means that no ironing is needed throughout the life of the shirt. "Wear without ironing, touch-up if preferred" on a label refers to a shirt that can be worn without ironing, but may be touched up if the individual desires.

The frequently seen label, "needs little or no ironing" means the shirt may be worn without ironing, but ordinarily should be lightly ironed after laundering.

## Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

### ONE HUNDRED YEARS AGO

**The Cemetery:** The steady progress made in the adornment of Ever Green Cemetery must be a source of high gratification to the citizens of our town and surrounding country.

The many hundreds of trees upon the ground, in fine growing condition, embrace rare varieties, native and imported and new ones are frequently added. A number of exceedingly beautiful evergreens recently set out are attracting much attention.

Several costly monuments already grace this "God's Acre" and others are in progress and in contemplation for erection between this time and next spring.

**George Swope, Esq.,** has been re-elected President of the Bank of Gettysburg and T. D. Carson, Cashier.

**The Lutheran Congregation** at Middletown, Frederick county, Md., are about to erect a large Church edifice at a cost of about \$15,000. The Messrs. Chritzman, of this borough, have secured the contract.

**Properties Sold:** The brick dwelling house and lot, formerly of Mr. H. Denwidde, on Baltimore street, has been purchased by the Vestry of St. James Church as a parsonage, for \$1,750. Abraham Scott, Esq., of Chest-town, has disposed of his pleasant property there, to Maj. Jacob Mark, of the same place, for \$1,250. Mr. Scott, having purchased the property of Rev. Mr. Keller opposite the Eagle Hotel on Washington street, will become one of our citizens in the Spring with the view of commencing the mercantile business.

Rev. Dr. Schmucker has disposed of the two-story brick house on Chambersburg street, opposite the Lutheran Church, to Major John Scott for \$1,400.

**The Railroad:** It is now a fixed fact that we have a Railroad in Gettysburg. The rails are laid for some distance within the borough limits — and the "Iron Horse" has been making much west of Rock creek. On Friday hundreds of our citizens witnessed his advent this side of the bridge. Every thing is going on actively and we presume this week will not elapse until the rails are laid to the Depot, unless the present storm should prevent work.

The Engine-house, Freight depot, and the "Turn-table" are up and the convenient and (to be) Handsome Passenger Depot is being pushed on with a heavy force, and will be up in a few days, if the weather permits.

**The court-house is under cover** and the enterprising contractor, Mr. Turner, is putting a face and front upon it which we think will please.

**SEVENTY-FIVE YEARS AGO**  
The H. J. H. & G. railroad company is pushing work on the old tapeworm, the track being laid as far as Willowbury run. Near Marsh creek some heavy cutting will be required. The company is putting down new steel rails on the line between Gettysburg and Hanover, the old rails being transferred to the extension west of this place.

On Tuesday Jacob N. Kitzmiller Esq., was appointed counsel for The First National Bank of Gettysburg in place of Hon. William A. Duncan, resigned.

**Sales:** Mr. Mumper has sold to the Gettysburg & Harrisburg railroad about 4 acres south of his residence between the "tapeworm" and the Chambersburg pike for \$1,000. The road to Round Top will run through this lot.

**Littlestown Items:** Thanksgiving day in Littlestown was characterized by the closing of all business places, family reunions and large dinners, an unusual absence of disorder of any kind, and a union service in the M. E. Church in the evening. Rev. J. Kretzing, who had been ap-

## Today's Talk

### BELIEVE IN YOURSELF

Believe in yourself and people will believe in you. It's that simple! Behind every great enterprise is at least one man who is the life of that enterprise. His faith and genius are outstanding. Workers look up to him, have faith in his faith, and so it is that we have builders who believe in themselves before all other beliefs. People do not follow a leader who doesn't lead. All others inspire the lesser ones to lead and themselves to grow into leadership.

Believe in yourself. It is essential, for in all useful enterprises there can be no useless experiments — there must be knowledge, and the courage to go forward. We all should read Emerson's great essay on "Self Reliance." It has inspired millions, and put many a corner stone to a great and useful enterprise. By reading history and the lives of great men, who have demonstrated the power behind all belief in one's self, we keep learning from others. We always improve our game — whatever it may be — after we have played that game with someone greater than ourselves. There should be something of the conqueror in us all.

Believe in yourself. It is the first step in the famous ladder of success. Also it is the first spiritual step into a permanent partnership with the great Creator in the freeing of ideas and the development of character. Faith and beliefs are forever clearing a path for the dreamer and doer. The timid seem to be satisfied with but little, whereas the builder scatters himself to the four points of the compass, glorying in his triumphs!

### THE WORRIED FRIEND

Oh, have you seen my lady fair  
With coal black eyes and raven hair,  
With most bewitching smile that seems

To haunt me even in my dreams?  
Oh, have you seen my lady fair  
Near this corner anywhere?  
She was to meet me here at three;  
'Tis four o'clock; where can she be?

Oh, have you seen my lady fair  
Waiting for me anywhere?  
For an hour I've stood right here,  
Till my lady shall appear,  
For she promised she would be  
Here upon the stroke of three.  
Here I stand upon the street  
Waiting for my lady sweet.

Wherever can my lady be,  
Who should have met me here  
at three?  
Where, I wonder, does she stay  
While I pass the time away?  
There she comes, with pleasant smile,  
Meant my temper to beguile;  
But she puts it on too strong  
When she asks me, "Been here long?"

## Hershey Estates Treasurer Is Dead

HERSHEY, Pa. (AP)—Requiem high mass will be celebrated in the St. Joan of Arc Catholic Church Wednesday for J. Marilyn Herbst, 51, treasurer and assistant secretary of the Hershey estates.

His uncle, the Rt. Rev. Charles E. Park, pastor of St. Joseph's Catholic Church, will be celebrant. Burial will be in Hershey Cemetery.

Herbst, who had been afflicted with the Hershey estates for 32 years, died at his home Saturday.

## COAL VOLUME AT LOW LEVEL

HARRISBURG (AP)—Coal production in Pennsylvania is skidding to the lowest level since before the turn of the century.

The state Mines Department today estimated that the soft coal output for 1958 will fall to about 64 million tons—the lowest since 1898. Anthracite production is expected to run about 18 million tons this year. That would be the least tonnage mined since 1872.

At the same time, the number of mining employees also is falling fast. There are now about 35,470 soft coal miners compared to 43,238 last year. The last time there were so few bituminous coal workers was in 1883. The high point was 200,000 in 1923.

In the hard coal fields, the picture is about the same. The number of employees in the hard coal mining industry is now estimated at about 21,000, compared with 24,776 in 1957. The figures are the lowest on record. The first statistics prepared by the department showed 35,000 hard coal miners in 1870.

Barring a major disaster, the fatality record in both the soft and hard coal fields is expected to be the best in Pennsylvania's history.

## M'Keldin Speaks At Valley Forge

VALLEY FORGE, Pa. (AP)—The meaning of Valley Forge is for all time and all men everywhere, Maryland's Gov. McKeldin said Sunday. He added George Washington found it by plucking victory from seeming defeat.

The American Revolutionary War commander had a deep and abiding trust in the rightness of his cause, McKeldin said. He knelt in the snow and prayed to God for guidance in the face of overwhelming odds against the British army, the governor declared. McKeldin made his remarks in a speech at a memorial service at the Washington Memorial Chapel on this Revolutionary War battlefield.

The speaker pointed out it was the ebb tide in the America war for independence and by every military precept Washington was finished.

### ROAD WORK REPORT

HARRISBURG (AP)—Lewis M. Stevens, state highways secretary, says his department has some 19 million dollars worth of work under contract for federal anti-recession road construction. He said in a weekend statement the funds have been designated for 36 projects totaling 139 miles of new roads. Federal allocation to Pennsylvania under the emergency program was \$19,217,078 on a two-for-one matching fund program. The state put up the remaining \$9,608,539.

### BARR SURPRISED

PITTSBURGH (AP)—Joseph M. Barr, state Democratic chairman, says he is surprised that Republican State Chairman George I. Bloom has criticized the announced intention of Gov.-elect David L. Lawrence to spend time outside of Harrisburg. Lawrence has announced that he intends to utilize the governor's office in the state office building in Pittsburgh.

In a weekend letter to Bloom, Barr said:

Oklahoma wrestlers won the Big Eight team title eight straight years until beaten for the crown last spring by Iowa State.

son-in-law and daughter, Mr. and Mrs. Scott Zanger, and daughter, Pamela, Yorkanna.

The Loyalty Class of St. Paul's Church will meet on Tuesday at 8 p.m. at the church, instead of tonight as previously planned. A Christmas party with exchange of gifts will be featured. Mrs. Clarence O. Bankert will replace Mrs. Joseph Cookson as a hostess.

Eight members of the family of Lester E. Melhorn, Dover R. 2, were left homeless Saturday night when fire destroyed their home and store located about four miles south of East Berlin on the Davidsburg Rd. Gettysburg firemen were among eight fire companies called to the scene. (Times photo)

## Business Predictions Are For Better Days Ahead

By SAM DAWSON  
AP Business News Analyst

NEW YORK (AP)—Just as June is the month of brides December is the month of those who read tea leaves to foretell the future of business.

And already the predictions are for better days ahead — perhaps because the days behind weren't notably too good.

The Agriculture Department is out on the limb with a forecast that everything will be better in 1959 except farm income. This limb is a bit shaky because farm income depends on many things, but a major one it weather. And even Washington isn't too confident when predicting weather.

### See Better Outlook

Most corporate executives now holding forth think business will be better—particularly for their own firms.

They're counting heavily on the consumers. And the Prudential Insurance Co. of America says that consumers will spend 16 billion dollars more next year for a record 307 billion dollars.

The share that will go for consumer durables—autos, household appliances and the like—will rise from this year's 36½ billion dollars to 40 billion dollars next year and 46 billion in 1960, according to the economists of McGraw-Hill, business publication firm.

### Few Pessimists

Dun & Bradstreet says all but a handful of 109 corporate executives it queried expect business to be better next year, although none predicts an out and out boom until the 60's.

F. W. Dodge Corp., which keeps a watchful eye on construction contract awards, reports that they've been setting monthly records the last six months, and that should mean plenty of activity in the months ahead.

Prudential economists spread their optimism over more territory than almost anyone else. They predict: 1. A substantial increase in employment (1½ million more jobs); 2. A rise in wages (although maybe at not quite so fast a rate as in the past); and 3. Gains in corporate profits (although not much change in dividend payments).

### More U. S. Spending

Business will reverse its 1958 policy of living off inventories and will start adding to them again in 1959. This should add 7½ billion dollars to national output, say the insurance men. They also think business will spend more on plant and equipment, some two billion dollars more.

On perhaps surer ground, they predict that federal government spending will rise by 3½ billion dollars, state and local spending by four billion dollars.

## SAYS RUSSIANS HAVE NUCLEAR BOMBER IN USE

WASHINGTON (AP)—The Soviet Union already is flying a nuclear-powered bomber, the magazine Aviation Week reports. It says the United States is at least four years behind the Soviet Union in this respect.

Officials of the U.S. Air Force and Defense Department withheld comment on the report.

The magazine said the Soviet bomber was completed six months ago and has been flying in the Moscow area for at least two months. Its test flights there have been observed by observers from both Communist and non-Communist countries, the magazine added.

### Weeks Of Fuel

The nuclear-powered plane is a military prototype, not just a conventional plane fitted with an experimental nuclear power plant for test purposes, the report said.

Aviation Week said the Soviet plane is powered with two nuclear engines and two conventional jet engines. Speeds were estimated at just above or below the speed of sound.

The magazine said the plane weighs 300,000 pounds, is 195 feet long and has a wingspread of 78 feet.

A major advantage of a nuclear-powered plane is that it might be flown for days or weeks without refueling.

## FOUR PERSONS SIGN SUICIDE NOTE; 4 BODIES

ST. LOUIS, Mo. (AP)—Four persons, despondent over poor health, apparently each in turn took their own lives. Their bodies were found Sunday night in a South St. Louis apartment.

The three women and a man, all related, appeared to have been dead for several days.

They were identified by a relative as Arthur Forrester, 62, a salesman; his wife, Lucille, 65; Mrs. Forrester's mother, Mrs. Mary Conkling, 86, widow; and Miss Blanche Conkling, 66, Mrs. Forrester's sister.

The bodies were found by Tilton H. Conkling, a brother of the dead sisters. After trying for several days to contact them, he entered the apartment.

Officers found several notes, some signed by individuals and at least one with the signatures of all four of the dead.

One read, "Art is not responsible for Mom and me." It was found near Blanche Conkling's body.

### "Not Surprised"

Forrester, a commission salesman for a cooking company, had incurable lung cancer, fellow employees and his brother-in-law said. A coworker of Forrester said when told of the deaths, "I'm not surprised."

Mrs. Forrester earlier this year had been in a mental institution and once had attempted to cut her throat, police said her brother told them.

Homicide officers said a newspaper dated Tuesday was the latest one in the room.

Tilton Conkling said he had been trying to reach the family since a week ago Sunday. Forrester had not reported for work for 10 days.

Forrester was found sitting upright on aavenport. A .22-caliber rifle was near him. Mrs. Forrester's body was in one bedroom. Mrs. Mary Conkling and Blanche Conkling were in a rear bedroom bed.

Officers said each person had apparently been shot through the mouth.

Another of the notes said, "Sickness the reason for this." It was signed by all four.

## Baltimore Colts Clinch Western Division Crown

By MIKE RATHET

Associated Press Sports Writer  
Lenny Moore's choreographer and Johnny Unitas' script writer fashioned a brilliant last act as the Baltimore Colts won their first Western Conference championship in the National Football League.

The come-from-behind Colts did it the hard way Sunday, striking for 21 points in the final quarter and defeating San Francisco 35-27. At the same time, the runner-up Chicago Bears were eliminated as they lost their first game ever to Pittsburgh, bowing 24-10.

Moore and Unitas turned in first-rate performances as Baltimore (9-1) captured its first crown since entering the league in 1950.

**73-Yard Run**  
With little more than 11 minutes remaining, the Colts still trailed 27-21 after scoring at the outset of the final period. Moore stepped front and center. He danced down the sidelines, cut back to the center of the field, then forged straight ahead to complete a 73-yard maneuver that tied it. Steve Myrha's conversion put Baltimore ahead.

A fitting climax saw Unitas—still sheathed in an aluminum harness to protect his injured ribs—pass seven yards to Ray Berry for an insurance tally. It was the 23rd consecutive game in which Unitas has thrown for a TD, tying Cecil Isbell's NFL record.

**Giants Beat Eagles**  
The battle for the Eastern Division title remained tight as first place Cleveland defeated Washington 21-14 and maintained a one-game lead over runner-up New York. The Giants beat Philadelphia 24-10 and seem headed for a showdown with the Browns in New York Dec. 14—the last day of the regular season.

In the only other game, Los Angeles defeated Chicago's Cardinals 20-14. Detroit and Green Bay played Thanksgiving Day.

The 49ers took a 27-7 lead in the first half, mainly on the passing of veteran Y. A. Tittle. The only Colt score in the half came on a three-yard plunge by Unitas. Two short scoring bursts by Alan Ameche, capping drives spearheaded by Unitas' pinpoint aerials brought the Colts within striking distance. Then Moore took over.

Bobby Layne's 48-yard touchdown strike to Jimmy Orr in the fourth quarter beat the Bears and carried the Steelers to their fifth consecutive triumph. Tom Tracy scored twice for the winners as he gained 156 yards in 17 tries.

Pittsburgh's Tom Miner kicked his 13th field goal, high in the league.

Cleveland's two fourth quarter touchdowns nipped the Redskins. With Jimmy Brown bottled up by the Redskins line—he gained only 12 yards in 11 attempts—Lew Carpenter became the main running threat. He scored once and amassed 95 yards in 14 rushes, including 54 yards on the final scoring drive.

**Two Scoring Heaves**  
Don Heinrich, subbing for the injured Charley Conerly, pitched two scoring heaves and set up the other Giant six-pointer with a toss against Washington.

Rams' Quarterback Billy Wade slipped twice to Leon Clarke in the second half for touchdowns as the Cardinals lost their fourth in a row. Lamar McHan tried to snap the Cards' losing streak as he literally lifted the air with passes. He completed 28 of 51, one going for a TD.

**Rookie Leads Blue Bombers To Crown**

VANCOUVER (AP)—Jimmy Van Pelt, the 23-year old rookie quarterback of the Winnipeg Blue Bombers, was still hailed today after spectacularly leading his team to the Grey Cup football championship.

The former University of Michigan star passed, ran and kicked the bombers to a stunning 35-28 win over the defending champion Hamilton Tiger-Cats in the Saturday playoff for Canada's pro title.

Van Pelt scored two touchdowns, kicked a pair of field goals and four conversions for 22 points, best individual effort in Grey Cup history.

Bernie Faloney, former University of Maryland quarterback, completed 16 of 25 passes to lead Hamilton's offense.

## 2 SCHOLASTIC GRID TITLES IN PA. UNSETTLED

By FRED WALTERS

HARRISBURG (AP)—There are only two blank entries left now in the 1958 Pennsylvania scholastic football record books.

Shenandoah and Old Forge play Dec. 6 for the East Penn Conference championship and Lincoln and La Salle meet Dec. 13 for the Philadelphia City championship.

The East Penn settled the dispute over its Southern Division title by voting for Shenandoah, 31-18, over Mahanoy City as champion. The vote admitted Shenandoah's claim that its season-opening victory over West Mahanoy Twp.—West Mahanoy's only game before it closed down due to financial problems—should be included in its conference ratings. Thus Mahanoy City, an upset victor over Shenandoah on the football field two weeks ago, became one of the shortest-lived champions in history.

**Helped Shenandoah**  
Mount Carmel helped Shenandoah's cause by tying Shamokin, 12-12, on Thanksgiving Day to give Shenandoah's rating a little added boost.

Only 11 major schools survived the 1958 season with perfect records. Five schools playing in smaller competition also made it. The list of major unbeaten-untilled teams includes two independents, Central Dauphin and Easton, and two conference also-rans, Richland Twp. of the West Penn and Kingston of the East Penn.

**Lincoln Unbeaten**  
Lincoln, the Philadelphia Public League champion, is unbeaten in nine games but still has to defeat La Salle to join the select list.

Johnstown, the new WPIAL AA champion, stands at the head of the list with 11 victories, including its 3-0 victory over Clairton in the AA title game, Nov. 22.

Ridley Twp., the Philadelphia Suburban I champion; Radnor the Suburban II champion; Ambler, the Bux-Mount champion; Lewisburg and Curwensville, co-champions of the West Penn; Central Dauphin and Kingston each won 10 games. Richland Twp., Bradock and Easton played a nine-game schedule.

**String Of 46**  
Bradock's 21-0 victory over Waynesburg in the WPIAL A title game one week ago stretched its string of unbeaten games to 46. The string includes a tie with Midland in the 1954 Class A title game.

Among the smaller schools, Juniata Joint and St. Mary's stretched their consecutive game winning streaks to 31 each. Montour, the WPIAL Class B champion, won all nine of its games as did New Castle Union, a WPIAL B school whose rating was not high enough to qualify it for the title game. Also winning nine games was Crafton in the WPIAL Class A, but its record was washed off the books when it uncovered an ineligible player on the squad.

**Roll Of Champions**  
Here is the roll of 1958 conference champions, with conference and season records in parentheses:

Southeast: Suburban I, Ridley Township (8-0, 10-0); Suburban II, Radnor (9-0, 10-0); Suburban III, Interboro (6-1, 8-2); Ches - Mont Pottstown (5-1-1, 8-1-1); Conestoga (5-1-1, 7-1-1); Downingtown (5-1-1, 6-2-1); Bux-Mont, Ambler (9-0, 10-0); Lower Bucks, Neshaunim (6-0-1, 8-1-1); and Morrisville (6-0-1, 7-0-1); Philadelphia Public, Lincoln (8-0, 9-0); Philadelphia Catholic, LaSalle, (8-1).

Northeast: East Penn northern, Old Forge (8-0-1, 9-1-1); East Penn southern, Shenandoah (9-1); Keystone, Shamokin (6-0-1, 9-0-1); Wyoming Valley, Kingston (10-0); Lehigh Valley, Northampton (7-0, 8-1); Lehigh-Northampton, Hellertown (7-0, 8-0-1); Roosevelt Trail, Sayre (5-0, 5-3-1).

West Central: West Penn, Lewistown (7-0, 10-0) and Curwensville (7-0, 10-0).

Southwest: WPIAL AA, Johnstown (8-0, 11-0); WPIAL A, Bradock (8-0, 9-0); WPIAL B, Montour (6-0, 9-0); Pittsburgh, Westinghouse (6-0, 7-2).

Northwest: Bucktail, St. Mary's (4-0, 10-0); Allegheny-Mountain, St. Mary's (8-0); Section II, Corry (4-1, 6-3); Franklin (4-1, 6-2) and Warren (4-1, 6-2-1); Section III, Sharpville (3-0, 7-2); Erie County Big Seven, Erie East (6-0, 6-3).

Parry O'Brien has won six straight National AAU indoor shot put titles.

## Neji Wins Title For Third Time

SAN FRANCISCO (AP)—Neji, one of the greatest jumpers of modern times, was named champion steeplechase horse for 1958 today by the racing secretaries of Thoroughbred Racing Associations (TRA) tracks.

It was the third time Neji, an 8-year-old son of Hunter's Moon 4th, and owned by Mrs. Ogden Phipps, had been voted the title by the TRA board of selection. Neji won honors in 1955 and 1957.

During 1958, Neji started five times, won two races, was second once and third twice. He carried from 162 to 176 pounds, and won his third Grand National at Belmont Park under 173 pounds.

**KENTUCKY AND WEST VIRGINIA PLAY TONIGHT**  
Kentucky, the NCAA champion, and West Virginia, ranked No. 1 in the final Associated Press poll last season, take the floor to top the action.

Kentucky entertains Florida State while West Virginia is on the road at Furman.

**Bullets At Temple**  
Other games find Cincinnati and its famed Oscar Robertson pitted against Indiana State, Indiana's defending Big Ten champs against Drake, Pitt at Michigan, Penn State at North Carolina State, Gettysburg at Temple, Rice at Kansas, Colorado at Iowa, Purdue at Kansas State and Western Michigan at Northwestern.

By Saturday night, virtually all major teams will be in action.

The Kent State (Ohio) and Idaho State invitational tournaments start Friday.

**Robertson To Appear**  
Tennessee meets Michigan and Kent State battles Wyoming in the first round of the Kent State tourney. It's Utah State vs. Idaho State and Portland vs. Montana in the first of the Idaho State affair. The two winners in each tourney battle for the championship Saturday night.

Robertson, who will appear in New York's Madison Square Garden Thursday against St. John's, is expected to dominate the headlines during the season along with Pitt's little Don Hennon.

**Opposition For Kentucky**  
Kentucky, the surprise of last season, is expected to get stiff opposition for the Southeastern Conference title this year from Mississippi State and Auburn. Northwestern and Purdue are the early favorites in the Big Ten while Texas A&M, Texas Christian and Texas Tech are doped to battle it out for the Southwest Conference title.

Dartmouth is rated high in the Ivy League and Kansas State is rated the choice in the Big Eight. Cincinnati, of course, is favored in the Missouri Valley, with the Atlantic Coast Conference race between Duke, Maryland, North Carolina and N. C. State. West Virginia, as usual, is expected to retain its Southern Conference crown.

**SPORTS IN BRIEF**

**GOLF**  
HAVANA—Billy Casper of Apple Valley, Calif., shot a four under par 68 for a 278 total and top prize of \$24,000 in the 72-hole Havana Invitational Tournament.

**BASEBALL**  
WASHINGTON—The American Assn. voted to expand to 10 teams and made a concrete offer to the Texas League for three of its cities, Houston, Dallas and Fort Worth.

**TENNIS**  
SYDNEY—Australian Ashley Cooper, Wimbledon and U. S. champion, defeated Earl Buchholz, the young U. S. Davis Cup team member from St. Louis, 6-0, 6-1, 7-9, 6-2 for the New South Wales title.

## FORMER CAGE WHIZ RALLIES FOR WARRIORS

By THE ASSOCIATED PRESS  
Lennie Rosenbluth, the lanky former All-America scoring whiz from North Carolina, has been a mere benchwarmer with the Philadelphia Warriors of the National Basketball Assn.

In his first pro season a year ago, he averaged about four points a game. His latest NBA statistics show him with a 3-point average and five minutes played each game.

Sunday, however, Rosenbluth produced when the Warriors needed him. He scored four points in the final 37 seconds and Philadelphia nailed a 103-100 victory over the New York Knickerbockers.

Rosenbluth dropped in a long one-hander and two free throws to enable the Warriors to snap a two-game losing streak. Woody Sauldsberry paced the Warriors with 25 points while Richie Guerin led New York with 28.

**Paces Closing Drive**  
In another NBA game, Elgin Baylor, an All-America last year at Seattle, paced a fourth quarter drive that carried Minneapolis to an 84-77 triumph over Cincinnati Sunday night.

Baylor tied the score at 68-68 with a jump shot and a basket by Boo Ellis sent the Lakers into the lead. Baylor finished with 21 points. Dave Piontek had 22 points for the Royals who have lost 15 of 18 games.

Saturday night, the Lakers beat Syracuse 106-105. In other Saturday games, New York defeated Philadelphia 115-103. St. Louis whipped Cincinnati 98-86 and Boston turned back Detroit 110-96.

## BIG SPRING 5 TO BE GREEN

Coach George C. Houck, coach of the Big Spring Bulldogs, will have a mammoth rebuilding job on his hands this year. Big Spring is a member of the Adams County Division of the Adams-Franklin Basketball League.

The team opened the 1958-59 basketball season Friday by bowing to Green Park 55-30.

Only two players among the 30 listed as members of the varsity and junior varsity squads have had previous experience in varsity competition—Jeff Staman, a 6-2 Senior, and Wes MacMillan, a 6-foot Junior.

Varsity Coach Houck is entering his 10th year as a coach and his teams boast of a record of 148 wins and only 68 losses. Last year the team broke even a 9-9 mark. J. Richard Stewart is the junior varsity coach.

Coach Houck has selected 13 players who will likely comprise the varsity squad—five Seniors, six Juniors and a pair of Sophomores.

Good prospects for the varsity among the seniors are, in addition to Stamy: William Skelly, 6-1; Paul Lay, 5-9; Jack Wyrick, 5-7; and Dale Camp, 6-2. Other Seniors on the squad are: Dennis Coy, 6-4; Nick Dorosh, 5-9, and Al Grove, 6-1.

Best looking prospects among the juniors are: Wes MacMillan, Ted Henninger, 5-8; Earl Shenk, 5-11; Roger Wheeler, 5-9; Barry Fell 5-9, and George Deck, 5-8. Other juniors are: Fred Mumper, 5-7; Ronald Cornelius, 6-1; Fred Snoke, 5-10; William Heckendorn, 5-7; Ray Heckman, 6; Donald Baker, 5-11, and Harry Barrick, 5-6.

Ray Haskins, 6-1, and Charles Johnson, 6, are the best Sophomore prospects. Others are: Ronald Baughman, 5-10; Bill Drawbaugh, 5-7; Donald Wheeler, 5-8; Leon Myers, 5-10; Glenn Mains, 5-11; Scott Spencer, 5-11, and Bill Wagner, 5-6.

The Aga Khan is playing outside left for the Harvard soccer team.

## BULLETS FACE 2 TOP-RANKED MAC QUINTETS

Temple University's Owls, defending Middle Atlantic Conference and Eastern NCAA basketball champions, open defense of their MAC, University Division crown tonight against Gettysburg at the Palestra in Philadelphia.

Coach Harry Litwak has only one starter returning from the team which lost to Kentucky, 61-60, in the semifinals of the NCAA championship last March, but the Owls, along with St. Joseph's College and LaSalle, figure to be the teams to beat in the Middle Atlantic Conference.

The Owls will enter the 1958-59 season with a string of 23 straight regular season triumphs, Gettysburg won nine and lost 15 last year, including an 89-68 game to the Owls. Coach Bob Hulton expects improvement for the Owls and should offer a good test for the graduation thinned-lineup of Temple.

**Other League Games**  
Other MAC games in the opening week of the season include: Temple at Lehigh on December 3; Gettysburg at Bucknell on December 4 and two games on December 6 with Bucknell at Rutgers and Lehigh at Delaware.

The team outside of the three Philadelphia schools given the best chance of taking the MAC title, is vastly improved Bucknell. The Bisons' Ben Kribbs has been building towards this season and has most of the personnel returning from the squads which posted 16-8 records the past two years.

Lafayette, Muhlenberg and Rutgers appear to be on the next level, with Gettysburg, Delaware and Lehigh trying to pull upsets and earn higher ranking in the conference standings.

## 35 Seek Varsity Berths On Warrior Cage Squad; Four Lettermen On Hand

## ARMY PLACES THREE MEN ON ALL EAST TEAM

NEW YORK (AP)—There were plenty of good football players performing in the East this year, but the task of selecting the 1958 all-East team was complicated by a plethora of good guards and ends and a shortage of standout tackles.

After careful consideration and consultation with coaches, The Associated Press Eastern Selection Board today came up with a team featuring an exceptionally swift and strong backfield operating behind a tall, 214-pound average line.

Three players were chosen from the potent Army team, two from bowl-bound Syracuse and one each from six other major independent colleges. Ivy League players dominated the second team but none of them made the first.

**Two Army Backs**  
Army's inseparable pair of half-backs, Pete Dawkins and Bob Anderson, were just that. Neither could be given a distinct margin over the other and both outclassed virtually every other halfback in the East. Army's third star, guard Bob Novogratz of Northampton, Pa., was arbitrarily assigned to a berth at tackle—a switch not too difficult to make since Army has used an unbalanced line this season.

The guard posts went to Pitt's 223-pound John Guzik of Lawrence, Pa., and Jim Healy of Holy Cross.

**Austin, Zimmerman**  
Completing the backfield with Dawkins and Anderson are talented Billy Austin of Rutgers and Syracuse quarterback Chuck Zimmerman.

Penn State's Steve Garban of Grindstone, Pa., drew the center post by a slim margin over Pitt's Don Crafton. The ends are huge Gene O'Pella of Villanova, a Philadelphiaan, and Jim Kenney of Boston University, both fine pass-receivers blockers and defenders.

## PACKERS NAME RANDY DUNCAN DRAFT CHOICE

By RALPH BERNSTEIN  
Associated Press Sports Writer  
PHILADELPHIA (AP)—The Green Bay Packers made Iowa's quarterback, Randy Duncan, the No. 1 choice in the annual National Football League's player draft today.

Packer Coach Ray McLean claimed the pinpoint passing Duncan, prize quarterback of the Big Ten, immediately after NFL Commissioner Bert Bell opened the draft meeting.

The 12 NFL teams met to select their first four rounds of their annual 30-round player draft. In all, 48 players were to be selected from the 1958 college player grab bag.

**Draft Next Month**  
The rest of the draft was scheduled for the league's winter meeting next month.

Green Bay had first choice under the draft rules which provide that the teams pick from last to first as shown in the standings the day before the meeting. Green Bay currently is last in the league.

The Packers, badly in need of a good passing quarterback, felt they got him in the 21-year-old Duncan. In the past three years he has passed Big Ten opposition dizzily.

The 6-foot, 180-pounder, key man on the Rose Bowl-bound Iowa team, led the Big Ten in total offense with 1,706 yards in nine games. He completed 101 of 172 passes for 1,347 yards, 11 touchdowns and an excellent 58.7 completion percentage.

Second choice was made by the Los Angeles Rams who took the nation's total offense leader, halfback Dick Bass of the College of the Pacific. The Rams get Bass with a choice obtained from the Philadelphia Eagles in last winter's deal which sent quarterback Norm Ann Brocklin to Philadelphia.

The Chicago Cardinals, third in line, grabbed Bill Stacy of Mississippi State: Washington selected Don Allard, Boston College quarterback; San Francisco picked Dave Baker, Oklahoma back; and the Detroit Lions took Notre Dame fullback, Nick Pietrosante.

ST. LOUIS — Chuck McKinley, Pattonville, Mo., beat Francisco Castillo, Hamtramck, Mich., 6-2, 6-0, 6-2 for his second successive National Indoor Junior Championship. Cliff Buchholz, younger brother of the U. S. Davis Cup team member, defeated Jim Parker 6-2, 6-1 in the all-St. Louis final for the boys crown.

BALTIMORE—Vertex led all the way on a muddy track and won the \$50,000 Pimlico Special. No betting was allowed on the four-horse race.

NEW YORK — Civet (\$24.10) came from behind and won the \$57,100 Display Handicap at Jamaica.

Hal McCulloch, Cornell halfback of 20 years ago, is coaching the Big Red backfield.

Four lettermen are among the 35 candidates seeking berths on the Gettysburg High School basketball squad now preparing for their opening game with Delone here on Friday, December 12.

Coach George Forney will make a cut in the squad in the near future and finds it difficult because of the keen competition and the par ability of many of the candidates.

Veterans around whom Coach Forney will mould his squad include Sidney Weikert and Tommy Crist, both Seniors, and Bob Furney and Hardy Nichols, Juniors. Furney is handicapped at present due to the nose injury received during football.

## 22 ARE KILLED IN STATE OVER LONG HOLIDAY

By THE ASSOCIATED PRESS  
Snow, sub-zero cold and ice helped bring Pennsylvania's accidental death toll to at least 22 people over the long Thanksgiving weekend.

Nineteen died in traffic accidents during the four-day period between 6 p.m. Wednesday and midnight Sunday.

A shooting accident, escaping coal gas and exposure to the cold accounted for the other three deaths.

The death toll compared with 27 during the three-day July 4th holiday and 23 over the four-day Labor Day weekend. Traffic deaths for those two holidays totaled 13 and 18 respectively.

There was snow everywhere in the western and northern counties, with as much as 10 inches in the Pittsburgh area. Most of the snow fell Friday and Saturday.

Meanwhile, the temperatures throughout the state dropped to the 20s and even the teens. Ice covered roads were blamed for at least seven of the traffic deaths.

The temperature in Pittsburgh went to one degree below zero Sunday, a record. One reading in Blairsville was three below.

Two of the traffic accidents took two lives apiece.

The second came Sunday night as thousands jammed the roads going home. A 2-car collision on Berkley Bridge on the Pottsville Pike killed Gerald Warner, 21, Shoenmakersville R. 1, and Richard J. Schaeffer, 20, Jonestown.

An elderly man, Aaron Baxter, 80, who lived alone in a trailer at Narvon near Lancaster was found dead of exposure to the cold Saturday night. He apparently fell down and was unable to get up.

## NEARLY 50,000 DEER WILL DIE

HARRISBURG (AP) — Deer hunters moved to Pennsylvania fields today for the start of the regular 12-day buck deer season. Game commission officials look for a kill approaching last year's record of 49,254. At least half of the state's one million eligible hunters is expected to take to the fields during the season.

The season officially opened at 7 a.m. and continues, Sunday excluded, through Saturday, Dec. 13.

The bear and small game seasons closed Saturday with early reports indicating a good kill in both types of game. Small game includes rabbits, ringneck pheasants, wild turkeys, ruffed grouse and squirrel.

A special antlerless deer season will follow the regular season, starting Dec. 15 and running through Dec. 17.

Last year 55,862 antlerless deer were killed when 336,500 hunters took advantage of the special season. Special permit sales this year totaled 350,700.

## WANTS NORTH EXTENSION OF PIKE "FREE"

WILLIAMSPORT, Pa. (AP) — An official of the Keystone Shortway Assn. suggested today that the state take over bonds for indebtedness on the Northeast Extension of the Pennsylvania Turnpike. The move probably would make the extension toll-free.

"I see no reason why the Northeast Extension bonds couldn't be absorbed by the General State Authority or by state legislative action," said C. E. Noyes of Williamsport, executive director of the association.

Noyes made the suggestion during an all-out drive by the association to win official commitment to speed construction of the 291-mile Sharon-to-Stroudsburg superhighway.

He noted that bonds on the main Turnpike are to be paid off by 1967 or before and said if the state took over bonds for the Northeast Extension it would not be necessary to charge a toll on the main Turnpike.

"Turnpikes are going to be out the window once this 41,000-mile network of interstate roads is completed," Noyes declared.

The association's all-out drive started here Friday when members passed a resolution urging Gov.-elect David L. Lawrence to "place the Shortway in a top priority position."

Back in the capital the President will face the task of completing the legislative program and the federal budget he will send to the new Congress in January.

Eisenhower and Dulles almost certainly discussed countermeasures the Western Allies plan to take to keep the Soviet Union from dominating West Berlin. But they kept mum afterward about the strategy.

In a brief statement after the meeting Dulles said: "The President reiterated our government's firm purpose that the United States will not enter into any arrangement or embark on any course of conduct which would have the effect of abandoning the responsibilities which the United States, with Great Britain and France, has formally assumed for the freedom and security of the people of West Berlin."

That in effect was a fresh rejection of The Soviet Union's Thanksgiving Day proposal for creation of a demilitarized "free" city of West Berlin. Moscow at the same time declared void the four-power occupation agreement for Berlin which was reached after World War II.

The Soviet note on its plan gave the western powers six months to enter into negotiation for establishment of a free city. The Russians added that failure to do so would put the plan into effect automatically at the end of that period.

## 10-Year-Old Sets Ship Out To Sea

NEWPORT, R. I. (AP) — A modern pirate boarded a ship tied up here, got her under way by himself and sailed out of the harbor before being overtaken and captured by a water-borne posse of local yachtsmen.

The ship, a 16-foot sloop, was turned over to its anxious owner.

The "pirate," a 10-year-old boy, was turned over on his father's lap.

## NEW PLEDGE TO W. BERLIN ON FREEDOM

By MARVIN L. ARROWSMITH  
AUGUSTA, Ga. (AP) — Communist-threatened West Berlin has a new pledge from President Eisenhower that its freedom will be safeguarded by the United States.

The pledge that the United States intends to meet that responsibility, shared by Britain and France, was reaffirmed by the President after he and Secretary of State Dulles discussed the Berlin situation at an hourlong conference Sunday.

They talked at the Augusta National Golf Club as Eisenhower made plans to end his working vacation Tuesday and fly back to Washington. His 13-day visit started Nov. 20.

Back in the capital the President will face the task of completing the legislative program and the federal budget he will send to the new Congress in January.
